# Australian Count Back System

(Adopted January 1st 1985)

## Deciding Tied Events

Ties in events shall be decided whenever possible by replay, but if the Committee considers this to be inexpedient; the following count back method shall be used:

1. For 18 hole events the best score for the last 9 holes will be used, if there is still a tie, the last 6 holes, or if still tied, the last 3 holes. If a tie persists, then hole by hole from the 18th.
2. In 27, 36, 54 & 72 hole events, the last eighteen holes shall still be used and if still tied, count-back as in 1 above.
3. In handicap events the relevant handicap or fraction thereof shall be applied.
4. Where a penalty applicable under Rule 3 - 5 of the Rules of Golf is applied to a result, this penalty shall be ignored so far as the Count back is concerned.

**NOTE:** *For a nine hole event, the best score for the last 6 holes shall be used. If there is still a tie, the last 3 holes and if a tie persists, then hole by hole from the 9th hole.*

## **Suspension of Play**

**Siren sounds once** - mark ball and return to Clubhouse.

**Siren sounds twice** - Recommence play.

## **Golf Cart Rules**

5. Golf ground staff have the authority to see that the above rules are followed.

### **Where Lines are provided on the Fairway**

1. All carts are to EXIT the fairway area at the black line.
2. Carts are to remain in the rough through to the next tee.
3. Carts must NOT travel on closely mown areas in the green area.

### **Dress Regulations**

- Neat casual dress at all times.
- No thongs, old footwear, old jeans, singlets, tank tops or tracksuits.
- Shirts with collar must be worn at all times - see display in breezeway.

***Murray Downs is a soft spike course. Golfers with metal spikes will NOT be permitted to play golf at Murray Downs***

### **Golfer's Practice Conditions**

- All players MUST report to the Pro Shop before starting practice rounds.
- Dress regulations apply to all practice areas.
- A maximum of 2 balls **ONLY** may be played on the course proper.

### **Green Fees**

- Players will ensure that they do not hold up play.

***Rakes should be left in bunkers away from the edge approximately parallel to the line of play.***

## Club Major Events

### Murray Downs Junior Champion (Murray Downs Home Club Juniors Only)

## Pace of Play

Slow play is a major concern and frustration to golfers everywhere.

Golf Australia, along with other governing bodies, is encouraging golfers to adopt a “ready golf” approach.

- Taking care not to distract other players or compromise safety,
- Walk with a purpose and efficiently to the ball putting your glove on in the process.
- Assess the shot, including any calculation of distance the player wants to make, or line up the putt, if possible while other members of the group play.
- Make a decision on club selection promptly and if possible while other members of the group play.
- When players are approaching the green, golf bags or carts should be positioned to allow for quick and efficient movement off the green towards the next tee.
- The marking of score cards should not be done at the green this may delay play of the group behind. Mark score cards on the way to or at the next tee. That said, the player who is first to play from the next tee should play first and then mark the card.

## Ready Golf

“Ready golf” is a commonly used term which indicates that players should play when they are ready to do so, rather than adhering strictly to the “farthest from the hole plays first” stipulation in the Rules of Golf.

“Ready golf” is not appropriate in match play but is encouraged by GolfAustralia in stroke events (including par and Stableford) When “ready golf” is being encouraged, players have to act sensibly to ensure that playing out of turn does not endanger other players.

There is no official definition of the term, but examples of “ready golf” in action are:

- Hitting a shot when safe to do so if a player farther away faces a challenging shot and is taking time to assess their options.
- Shorter hitters playing first from the tee or fairway if longer hitters have to wait.
- Hitting a tee shot if the person with the honour is delayed in being ready to play.
- Hitting a shot before helping someone to look for a lost ball.
- Putting out even if it means standing close to someone else’s line.
- Hitting a shot if a person who has just played from a greenside bunker is still farthest from the hole but is delayed due to raking the bunker.
- When a player’s ball has gone over the back of a green, any player closer to the hole but chipping from the front of the green should play while other player is having to walk to their ball and assess their shot

The golf committees feel golf at Murray Downs can be made more enjoyable if all players make a conscious effort to adopt these guidelines as many already do.

Whilst generally our play moves well we can always improve and “a quick game is a good game”

Your help in avoiding problems with slow play  
is appreciated.
